

PROPOSED ADDITION TO THE ARBURY HILLS SCHOOL

## Bond Election For Summit Hill School To Be Held Oct. 16

Saturday, Oct. 16, is the day and date set by the Summit Hill grade school board for a bond election to provide funds for an addition to the present school building.

The estimated total cost of the improvement has been placed at \$91,000.00 by the architect. This would cover the cost of four classrooms,

office space, washrooms, and storage. The proposed bond issue will be \$85,000.00.

Every voter in the district will be given complete information. The board will welcome the opportunity to meet with any groups, large or small, to discuss the proposition. A public meeting will be held before the elec-

tion on Oct. 15.

Six rooms of the original Arbury Hills School were erected by the developers and two rooms by the district. Four classrooms and the all-purpose room were finished two years ago.

The community has made good use of this expanded facility.

## Red Cross Offers First Aid Classes

One of a series of First Aid First classes to be offered by Red Cross will be held in New Lenox.

Oakview school is the location of the class, set to begin at 7:30 p.m. Oct. 20. The class is one of six already scheduled in the program, designed eventually to train at least one person in every family in the county in Red Cross first aid.

Qualified volunteer instructors will teach the first aid courses which are open to the public and which will run for 10 hours, usually meeting for two hours each night. Stanley T. Ekedahl will teach the class in New Lenox.

Anyone 14 years or older is eligible to attend. Instruc-

tion is free and a small charge covers cost of textbook and materials. Additional information about other locations for classes is available at Red Cross regional office, 222 N. Broadway, Joliet, telephone 723-3494.

Red Cross officials pointed out that many people need first aid training to qualify for their jobs. The First Aid First classes will help school bus drivers, volunteer firemen, policemen and those whose work keeps them in contact with the public or with youth groups.

Mothers of young children and farm families living at a distance from hospitals also will find the instruction valuable, Red Cross said.

## Mother Of Mokena Resident Dies

Mrs. Nora C. Hamilton, 87, of Weslaco, Texas, wife of the late Ira C., mother of Wendell B. Hamilton, First st., Mokena, grandmother of Thomas C., plebe at USMA West Point, N.Y., passed away at Silver Cross hospital after a short illness on Tuesday, Sept. 28.

She had traveled to this area in June to spend the summer months visiting with various members of her family.

Survivors include three other sons and two daughters, ten other grandchildren and eighteen great-grandchildren.

Burial was in Mt. Hope cemetery, Chicago.

## Will County Zoners O. K. Truck Terminal

The Will county zoning board of appeals has approved the request of the Drovers National bank, of Chicago, for two changes in classification of farm land, lying west of U.S. 45 at 183rd st., and running south.

The piece at the 183rd st. end would be B-1-c, to permit the operation of a gasoline station. The adjoining 75 acres would be I-1 (light industrial) which would permit the operation of a truck terminal there.

The state highway department objected to the reclassification, contending that some of this land will be needed for right-of-way in conjunction with FAI-80

highway project and that the rezoning will enhance the value of the property.

In the vote by the appeals board, one member, Sam Saxon, Plainfield attorney, voted against the request but the other four members voted to grant it. They are Harold Cooper, Mokena, Sheldon Hauck, New Lenox, Dr. Ben Hur Wilson, of Joliet, secretary of the board, and Walter Shoop, of Wheatland, its chairman.

Final action, of course, will come at the meeting of the county board when the findings of the appeals board is submitted for approval.

There has been talk in the area for several months that a trucking company was

seeking a terminal site in the vicinity of the interchange of FAI-80 with U.S. 45. The petitioner did not disclose the name of the trucking firm.

U.S. 45 is scheduled to cross I-80 in the vicinity of 183rd st.

Radio Station WLS has its transmitter station at 183rd st. and U.S. 45, just inside the Will county boundary. The vast amount of underground cable owned by the broadcasting company, it is reported, is being taken under consideration in plans for I-80 and the interchange there and it is said that U.S. 45 will be moved to the west -- approximately 300 feet.

Last week crews were working along the east side of U.S. 45, a short distance north of the Rock Island overpass, apparently taking borings.

## Parkview Baptist To Burn Mortgage

Next Sunday, October 10 will be a milestone in the Parkview Baptist church located at the corner of LaPorte and Scott st., Mokena. At the morning service there will be a special speaker from the Baptist general conference office in Chicago, and at the evening

service, the mortgage of the church will be burned, which indicates the church is now free of debt. The Rev. Arthur Contois founder and first pastor of the church will be present at the evening service to speak and show slides of the church's be-

ginnings. Many former friends and members of the church who have moved away are expected to be present for the services and for the buffet supper that will be served at 5:30 p.m.

The church was formally organized in Sept. 1954, meeting in the local V.F.W. Hall, on April 17, 1955, a ground breaking ceremony was held and work began on the church building. After much labor and prayer by members and friends of the congregation, the building was completed and services began in May 1956. August Russel was the Senior Deacon, Theodore Rydell, Chairman of the Trustees, and Stanley Baudry, Supt. of the Bible school. At present, August Russel is again the Senior Deacon and Drewes Kooyenga, Chairman of the Trustees.

Several pastors have served the church during the past 12 years. The present pastor, the Rev. W. James Johnston came here from the Larkin Ave. Baptist church of Joliet, Nov. 1, 1962. He resides at 107 Greenview, Mokena. During the years, the Lord has abundantly blessed and brought the church to this day of rejoicing.

## Mokena Zoning Board To Hold Two Hearings

The Mokena village zoning board of appeals has two hearings scheduled for 8 p.m. Oct. 13 in the village hall on Front st.

One is the request of Mr. and Mrs. Leo Marcoux to rezone the property west of 115th ave. and south of 195th st. (west of St. Mary church) from R-1 to R-3,

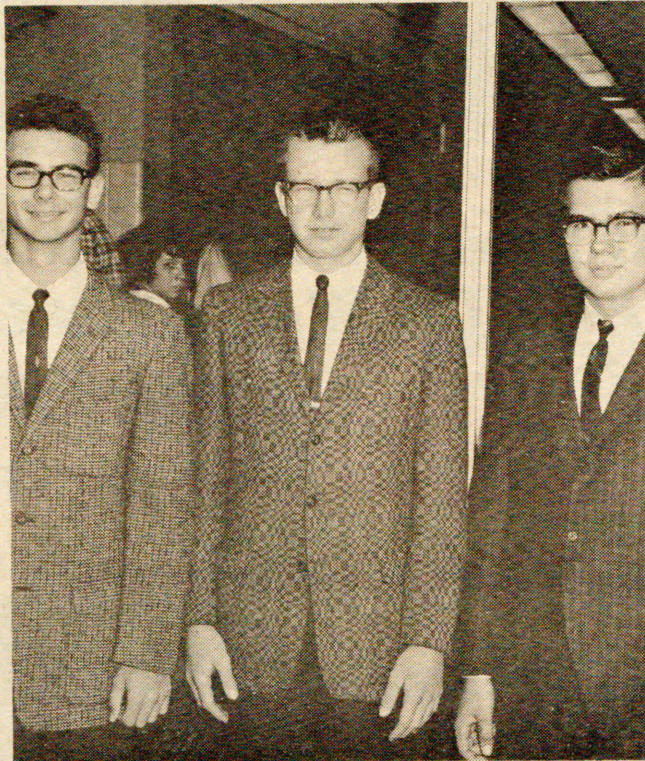

which would allow more intense use of the land.

The other hearing is on a request by Mr. and Mrs. James Murphy, 11047 McGovney st., for a variation in the five-foot side yard requirement. They wish to build a garage but recite that if held to the five-foot rule will not have sufficient space. They ask a variation to allow a two-foot side yard between the garage and the property line on that side.

LINCOLN-WAY high school Band Boosters held their first meeting of the fall season on Monday, Sept. 27. In an effort to improve participation, meetings will be held on Monday nights, rather than Wednesday.

Officers are from right to left; Bernard Hoogstra, president; Mat Tami, treasurer; Joe Hammond, vice-president; Jim Hammond, past president; Mrs. Jim Hammond, hospitality; Georgeanna Jones, publicity and Meridith Brown, secretary.

LINCOLN-WAY'S outstanding German students attended a Foreign Language conference at Loyola last Sunday, Oct. 3. (l to r) John Venckus, Rod Runestad, both of New Lenox, and Fred Richards of Manhattan, took part in the program which furnished information about the nature of modern foreign language study in college. The students were accompanied by Henry Meier, foreign language department head.

## St. Mary Pupil Wins Contest at Library

The winner of the Mokena Library summer reading contest is Barbara Zugenbuehler, a 12-year old student at St. Mary school. Barbara's record of books read was judged the best, not only by the quantity, but also by the age level of books included. Special honorable mention also goes to runners up: Janis Davies, Roy Langland and Janice Barenz.

The purpose of the club was to encourage a program of reading for children in the Mokena area during the summer months. It was augmented by the regular shipment of state library books for the library as well as the loan of state library books intended for Willowcrest school, which were circulated during the summer months. Judging from the number of children using the library during the sum-

mer, and the exhaustion of the volunteer librarians by the end of each day, the contest can be considered an overwhelming success.

Others who participated include: Janine Barenz, Linda Bruhn, Joe Leonard, Jackie Harley, Laura Michalik, David Rinke, Michael Rinke, Mary Schubert, Cheryl Teague, Karen Teague, Sharon Teague and Paulitte Wellman.

## Republican Women To Hold Workshop

This will be a two part workshop, the second part to be held on Nov. 16. There will be open discussion.

Anyone is welcome to attend and refreshments will be served.

## Stagg Wins Over Lockport West

The Stagg Chargers, under the guidance of Coach Meier opened their "65" season successfully against a big Lockport West squad at Carl Sandburg field Monday night, by a score of 13-6.

The first touchdown was scored by Wally Brown on a 50 yard punt return. This was made possible by excellent blocking set up along the right side of the field by the entire Stagg line. The second score came on a 17 yard run by Brown, after a penalty had moved the ball from the two yard line. Jim Culloton, Dan Gallvitch and Bill Scholl opened the hole which allowed Brown to break through. Bob Thyer executed an excellent down field block which allowed the ball carrier to be home free.

The defense held up very well throughout the entire encounter, allowing the only score in the final seconds.

## Father's Day Oct. 9

Father's day comes twice a year at Carl Sandburg High School. All fathers in the community are invited to attend the traditional football game - Oct. 9, when the Eagles play the Lincoln-Way Knights.

At half time the fathers of the Eagle footballers will be honored. As a part of the

ceremony each father will be introduced and presented with a placard bearing the same number as that of his football-playing son. Varsity cheerleaders will be there to tie this identity on each father.

The event is being sponsored by the Eagle Booster club, an organization dedi-

cated to the development of young men through athletics.

The next regularly scheduled meeting of the Booster club will be at 8 p.m. Oct. 13, in the high school cafeteria.

Coach John Wilson will discuss "Techniques in Distance Running" and, with the assistance of Cross Country team members, demonstrate phases of conditioning, sprinting, pacing and race

strategy.

Mr. and Mrs. Donald Raydon are co-hosts for the meeting and expect many interested parents to be present. Refreshments will be served.

Future programs will feature a different sport each month. Demonstrations of plays and special skills needed, with explanations by competent personnel, will highlight the programs.

with unpressed pleats and a detachable chapel train was trimmed with re-embroidered alecon lace appliques. A crown arrangement of silk organza, trimmed with pearl lily of the valley, held her triple tiered elbow length veil of silk illusion. She carried a cascade bouquet of large mums, starburst poms and stephanotis.

Mrs. Delmar Mueller attended her sister-in-law as matron of honor. She wore a floor length cotillion blue sheer over blue brocade with fitted bodice and scoop neckline, and short sleeves of blue sheer. Her skirt was A-line with unpressed pleats, and a floor length sheer wateau train attached with bow at shoulders.

Her headpiece was matching blue bows of sheer-over-brocade with blue maline veiling. She carried a cascade bouquet of star burst poms and red garnet roses.

Dressed identically with Mrs. Mueller were Judy Termuende, sister of the groom, Eileen Grages, cousin of the bride and Marla Kay Schroeder, cousin of the bride. The bridesmaids carried cascade bouquets of large blue mums and starburst pom-poms.

Bouquets of white gladioli and yellow fuji mums and palms decorated the St. Peter's United Church of Christ, Frankfort, Aug. 28, for the marriage of Miss Willa L. Schroeder, Frankfort to Marvin E. Bormet, New Lenox.

Rev. LaVern Smith officiated at the 2:00 p.m. double ring ceremony uniting the daughter of Mr. and Mrs. Glen Schroeder, 132 Center Road, Frankfort and the son of Mr. and Mrs. Elmer Bormet, Marley road, New Lenox.

Given in marriage by her father, the bride wore a toe length gown of white silk peau de sole designed with an empire bodice featuring a rounded neckline and highly fashionable kabucki sleeves framed with a border of pearl strewn re-embroidered Alencon lace. The same type of lace, applied in an asymmetrical design, cascaded to the hemline on the A-line skirt front. The chapel length wateau train flowed from beneath a dainty rosette at the back of the waistline. A cluster of sheer roses, with simulated pearls, released her multi-tiered veil of imported silk illusion and she carried a bouquet of phalaenopsis orchids centered with a white orchid.

Matron of honor, Mrs. Lois Niemann, friend of the bride, chose a slipper length A-line gown of mint green shantung. The high rise bodice of emerald green was defined by a beaded empire band while back interest centered on a floating panel train. A matching fabric rose held the blusher type veil and she carried a semi-crescent bouquet of a large single yellow mum complimented with green grapes, wheat and croton leaves. Long white gloves and pearl earrings, gifts of the bride, completed her outfit. Identical costumes were

donned by the bridesmaids, Miss Milda Schroeder, sister of the bride and Miss Lenora Bormet, sister of the groom.

## Why Orland Needs An Ambulance

By: Beverly E. Anderson

Are you wondering why Orland Park needs an ambulance? In 1960, the census figures for Orland Park were 2,592. That was the year the Rescue Squad was purchased. The population increased to 4,509 in 1964 and the township is still growing. We still depend on our one Rescue Squad to cover all emergencies.

If you are in doubt as to the expanding population, drive through the area and notice the schools! Note the addition to the former stone building at the Orland Park public school on 143rd street also on 143rd and Highland is St. Michael's. Wait! Our tour has just begun. Away from the business district, on the out-skirts of town are Doctor school District 137 at 159th and 113th Court. Orland Park center school is on 151st and 94th avenue. At the opposite end of town, beyond 135th street is Carl Sandburg high school.

During the first month of the fall season, the Rescue squad was summoned to the Orland Park school and to Carl Sandburg. At the grade school, a little child fell from the seesaw and landed stomach down on the hard packed ground. Due to possible back injuries the child wasn't moved until the Rescue Squad arrived. An accident on Carl Sandburg's football field occurred and again the volunteers were called. The youth was not as fortunate as the elementary school child. The Rescue Squad was on another call. Columbus Manors' ambulance was busy. It was 30 minutes before help arrived and the lad could be moved to a hospital. A half an hour may sound like a short period of time. It isn't if you are the person standing idle, watching an accident victim and unable to assist him!

The approximate fire area of Orland Park is twenty five square miles. In 1960 much of the land was vacant rural area or farm land. Since that time sub-divisions have sprouted and homes dot the landscape inland from highways. The need for an equipped ambulance is apparent with the ever increasing number of new families moving into the area. One Rescue Squad can not be in two places at the same time. In 1960 there were less people living in Orland Park and one vehicle was sufficient. It isn't today, that is why Orland Park needs its own ambulance.

## hints for homeowners

BY: RICHARD DeLANO  
Assistant Cook County Farm Adviser in Ornamental Horticulture and Floriculture  
"I've just moved into a new home. Will you suggest a fast growing shade tree." This is perhaps the most common question heard in nurseries, garden centers, and University Extension Offices.

Our mobile population doesn't stay in one place long enough to enjoy the results of planting such slow growing trees as the Norway Maple or the White Oak.

In the search for rapidly growing trees many varieties of limited use have been planted in unsuitable locations. Heading the list of fast growing trees of limited usefulness is the Tree of Heaven. Not only does the vigorous growth produce a weedy tree, but the female tree produces thousands of seedlings that sprout in the lawn. The male trees, on the other hand, produce flowers that give of a highly disagreeable odor.

Willows are another group of fast growing trees of limited usefulness. Because of their growth rate they produce brittle, easily splintered branches and limbs that do heavy damage in even the smallest wind storm. Because of its heavy demand for moisture, it has a wide ranging root system that rapidly fills sewer lines and drainage fields.

If you like the graceful weeping effect, consider the weeping forms of many standard trees such as the weeping cherry, the weeping Echtermeyer Crab, and weeping forms of the beech and linden.

For a high quality fast growing shade tree, consider the weeping cut leaf birch. Its semi-upright shape and medium size is well suited to city lots. A mature tree will reach forty feet with a twenty - five foot spread. This tree is much faster growing than the clump birch.

Of all the fast growing trees, the silver maple is most commonly used. This is unfortunate because it is a tree that no professional plantsman recommends. It, like the willow, has weak wood that shatters in every wind or rainstorm. You can prove this to yourself by driving in a wooded neighborhood after a storm. You will find that majority of the fallen brush and timber to be from silver maples. In addition, the tree is shallow rooted thus making lawn care difficult among the large surface roots.

Another undesirable maple once used extensively is the boxelder. It not only attracts the boxelder bug, but it is weedy and weak wooded.

For a fast growing high quality maple, use a red maple. Don't however, con-

fuse it with the noble slower growing cousins the sugar and Norway maple. For fast growth the red maple is the tree to use. This, I might add, is a good week to select this tree in a nursery because you can determine the type and intensity of fall color that your tree will produce year after year.

Once one of the best fast growing shade trees was the American Elm. However, with the incidence of Dutch elm, disease, its a personal decision regarding its use. However, in the Netherlands, the tree is still being planted.

Another frequently planted tree of questionable value is the Lombardy poplar. Its narrow shape and fast growth have encouraged its use as a tall screening plant. Unfortunately when the tree reaches a useful height ... usually in twelve years ... it is attached by a canker which soon destroys large sections of the tree. Rather plant the narrow shaped, fast growing Bolleana poplar.

There are many other fast growing shade trees of good quality. The green ash will reach a thirty foot height in about twenty-five to thirty years. The colorful European Mountainash and the Amur cork tree quickly reach a mature height of 25 to 30 feet. For large trees of fast growth that reach over 60 feet, there is the sycamore hackberry, pin oak, and thornless honeylocust. The thornless honeylocust comes in such varieties as morain, sunburst and shade master.

Don't be satisfied with an inferior type of tree because it's said to be fast growing. Many of our most highly prized varieties have a surprisingly fast growth rate.

## Will County Club League Meeting

Plans for their fall Bi-annual were made at the board meeting of the Will County Club League at the Joliet Federal Building meeting room on Sept. 28. Present were officers and delegates from five clubs of the county; Channahon, Florence, Jackson, Marley and Wesley.

The president, Mrs. Charles Elliott, announced that the Bi-annual will be held on Oct. 26 at the Homer Congregational church. Reservations are to be made with her by Oct. 21. Program plans include - "Festive Holidays" -- a food demonstration by the Northern Illinois Gas Co. and special music.

# Noted Humorist To Lecture PTG

MRS. EDWARD HOVI

Telephone: 479-5740

The Summit Hill Parent-Teacher Group will hold its monthly meeting at the school Thursday, Oct. 14 at 8 p.m.

A short business meeting will be followed by a special treat for everyone with the appearance of the noted lecturer and humorist from the Joliet area, Miss Irma Agazzi.

Miss Agazzi will present a travel film and lecture of her trip to Africa, which included travel through Egypt, Ethiopia, Kenya, Malawi, and Southern Rhodesia.

The films, which Miss Agazzi took herself, will cover the high points of the trip: Her climb of Mount Kilimanjaro, the Victoria Falls, the highest falls known, and the antiquities of Egypt, the Sphinx and the Pyramids.

She will also give a humorous dissertation on the animals she saw during her journey.

She was accompanied by a peace corp volunteer and drove the continent in a 1960 Morris Minor car purchased there.

Miss Agazzi spent her Christmas in a small village in Malawi, this being their first sight of white people. Their Christmas celebration was held in a native mud hut.

This evening promises to be one long remembered by all attending, and the Parent-Teacher Group is happy to announce that there will be no charge for admission and will be open to the public.

The First Nighters will have their meeting tonight at the home of Mrs. Rose Menzer on Oak st., at 8 p.m.

The Summit Hill Boy Scout Troop will have their

156 yards rushing and 52 yards passing. Jim Markl lead the Knights in rushing 16 for 32 and Wendel Bornmet 1 for 8. Frank Fleck was top pass receiver, 6 for 65.

The Fresh-Soph Knights lost 6 to 0 in the first meeting with the Rich East Rockets. Both the Fresh-Soph and varsity have records of 1-1-1.

Next week the Knights travel to Sandburg. The Fresh-Soph game starts at noon and the varsity at 2 p.m.

newspaper pick - up this Saturday morning, October 9. Those people who have a donation are asked to have their paper goods ready by 9:30 a.m. on Saturday morning.

Nicky Hulett, son of Mr. & Mrs. Joe Hulett of 19553 South Beechnut drive, celebrated his eighth birthday with a children's party of some of his classmates: David Hanhulin, Steve Foster, and Diane Decker. Also in attendance was their teacher, Mrs. Brown.

The children celebrated with the usual party games and conglomeration of party foods. The happy, sticky faces attested to the success of the affair.

The Arbury Hills Boys Baseball League will have their regular monthly meeting at the school on Tuesday evening, October 12 at 8 p.m.

At that time there will be a showing of the film which had been cancelled because of weather conditions. This will be of interest to all, so try to make your appearance.

The Junior Girl Scouts, it is hoped, will soon be re-organized for their fall session, as soon as the leaders can get their homes back into livable condition again. The mothers will be invited to attend the first meeting, when it is called. The girls will be notified later as to time and place of the meeting.

The Arbury Hills School annual Fun Fair, will be held at the school on Saturday, October 23. It will feature a spaghetti dinner, according to the co-chairmen; Herb Neumayer and Mrs. Ella Ayers.

C. J. Reeves, decoration director, has selected autumn leave as the decorative theme for this year's fair. This will entail the traditional fall and halloween props, - corn shocks, pumpkins, vari-colored leaves, and so forth, setting the mood of the fair.

Chairmen of the games and activities are: Emery Mann, cafeteria; set-up Mrs. Beverly Haas; country store, Mrs. Leroy Harris and Mrs. Elnora Scott; sno - cones, C. J. Reeves; pop corn, Mr. McCarthy; clowns, Mrs. Edward Blecha; decorations, C. J. Reeves; publicity, Mr. McCarthy; cake walk, Julius Sandy; games, Mrs. Richard Terracina.

The Fun Fair, as in past years will be opened to all people in the area to join in the festivities. Don't forget the date, Saturday, October 23, an all-day fun time.

The first pack meeting of the new season will be held at the Arbury Hills School tomorrow evening, October 8, at 8 p.m. All boys residing within the school district between the ages of eight and under eleven are invited to attend with their parents. New boys will be registered into the scouting program during the meeting, and everyone is urged to come out and welcome Emery Mann, who is taking over as cub scoutmaster from Gene Pasky upon his retirement.

DAVE BRUNNER received trophy for Boston Electric shoe repair, champion of St. Mary's Golf League. Shown with him are Stan Resutko, Joe Heim and Bud Markl, officers this past season of the league. Joe Heim was also captain of the winning team.

FRAN KLINGER sings a guest solo with the Tune-Makers at dinner-dance for members and invited guests of St. Mary's Golf League.

## Champs Presented With Golf Trophies

With presentation of trophies to the champs, St. Mary's Men's Golf League concluded its third season with a dinner-dance at Jardine's, Saturday evening, Sept. 25.

Championship team trophy went to Boston Electric shoe repair, Dave Brunner accepting for his ailing brother, Don, who is undergoing treatments at Billings hospital. Don Brunner had played in the league until he was

laid low with a knee injury, incurred in a baseball game. The winning team was composed of Clarence Ellena, Joe Heim, Len Bolek, and Ed Cieply, who was top match winner with handicap. Each team player was awarded an individual trophy.

Finishing in second place were George Gorman, Ed Walsh, Dave Martin, and Ron Vondrasek, sponsored by Andy Harr's barber shop. The runners-up were also awarded an appropriate trophy for their efforts.

Ron Vondrasek further distinguished himself with only ONE loss all year.

Top individual player award was won for the third successive year, by Ken Pearson, averaging an even 40, for the 14 game season.

A trophy in recognition of his efforts was awarded to George Baker, who averaged 38.75 in an abbreviated season, joining up when season was half over.

In attendance for dinner and dance were the players and sponsors accompanied by their wives. Each member's wife received a door prize.

## L-W Knights Tie Rich East 7-7

The Knights of Lincoln-Way came up with what may be the biggest upset in the battle for the 1965 Southwest Suburban Crown. They tied the state rated Rich East Rockets 7 to 7.

In the first quarter, the Knights couldn't get any closer than the 39 yard line of Rich. When the Rockets took over, they moved the ball to the 32 yard line of Lincoln-Way. When the Knights got the ball, the first play from scrimmage ended up a fumble which Rich recovered on the Knights 27 yard line just as the horn sounded.

In the second quarter, the Rockets resumed their drive moving the ball to the Knights 17 yard line. Then Fran Ammons passed to Chuck Pabonye for 12 yards. The Knights defensive team was superb in their goal line stand battling off four separate attacks within the 10 yard line, taking over on the 1 yard line.

The Rockets finally scored late in the second quarter. They took over on the 42 yard line of the Knights and moved within the 24 yard line. Bruce Hoffman ran 15 yards to within the 10 yard line.

Two plays later quarterback, Fran Ammons, ran over for the touchdown. Jeff Jones kicked the extra point making the score 7 to 0 in favor of Rich East.

In the third period Rich East started a drive that looked as though it couldn't be stopped, but Steve Ihde came up with two sparkling plays, dumping the Rich East quarterback twice.

The Knights received the ball on their own 20-yard line and moved to the 36 yard line when Keith Schram connected with Frank Fleck for 16 yards. Jim Markl then ran 24 yards to the Rich 40 yard line. In a series of downs, the Knights closed in on the Rockets moving to the 25 yard line. Schram again hit Fleck for 20 yards. Jim Markl then ran in for the touchdown from 5 yards out. Markl then proceeded to kick the extra point making the score 7 to 7.

The Knights dominated the fourth quarter making Rich East scramble just to come out of this game in a tie. The Knights got to the 15 yard line of Rich, but they held with only 1:56 left in the game. A couple of plays later and Jeff Jones intercepted a pass for Rich with only 34 seconds left. Rich tried in vain to score with a series of passes. They kicked with 10 seconds left in the game that rolled to about the 20 yard line of Lincoln-Way, but Markl ran the clock out and the game ended in a tie, 7 to 7.

Coming into the game Rich East had record of 2-0 and neither of the two previous teams could score against the Rockets.

The Knights netted 30 yards rushing and 76 yards passing, while Rich netted
